2. How to Vote (E-Voting)

For how to vote at the electronic 2026 Annual General Meeting of Shareholders (E-AGM), shareholders and proxies who wish to personally attend the Electronic Annual General Meeting of Shareholders (E-AGM) can cast votes during each meeting agenda, whereby one shareholder has equal votes to the number of shares held or assigned by proxy.

In tallying voting results, the company will subtract disapproval and abstained votes from the total votes of shareholders attending the meeting. After shareholders and proxies have registered to joint the Electronic Annual General Meeting of Shareholders (E-AGM) on 22nd April 2026 (The E-AGM system is accessible from 07:30 am onward), the system will show E-Voting Menu Click on the E-Voting Menu to vote. In each meeting agenda, you may only choose one type of vote, i.e., only approval, disapproval or abstained, and you can click to change your votes until voting is closed for the agenda.

Accordingly, the voting results are computed in the vote processing system. **If a shareholder does not click on any voting button, the shareholder will be considered to have voted in approval in the agenda.**

3. How to Ask Questions

• Asking Questions in Advance

Shareholders can send written questions related to meeting agendas in advance to allow the board of directors to respond to inquiries more thoroughly. Questions can be submitted along with the first and last name of the person asking by using a form for submitting questions in advance (Enclosure 15) or the email: ir@interlinktelecom.co.th or fax by using the number 02 666 2299. Accordingly, directors will respond to the questions during the Q&A session in the final agenda.

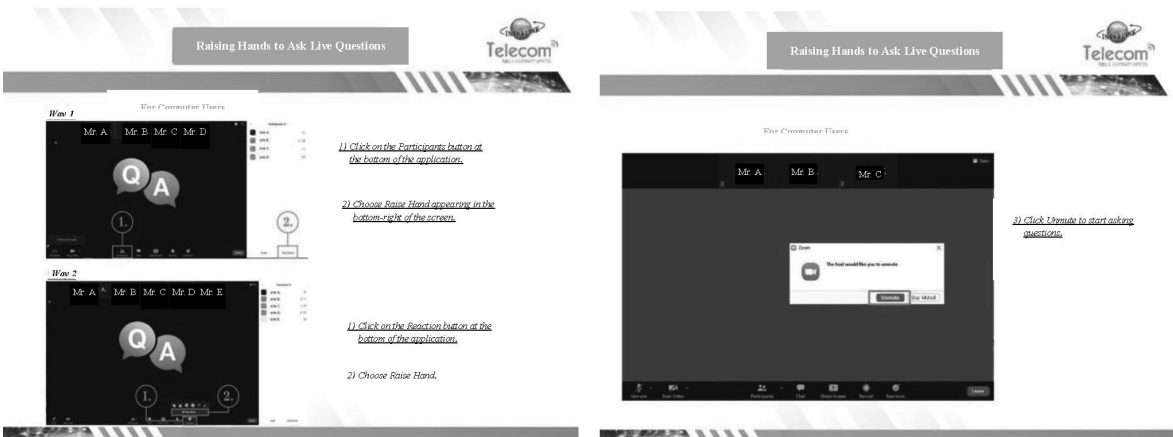

• Asking Questions on the Meeting Date

The 2026 Annual General Meeting of Shareholders has 11 agendas total. During the Q&A session of each agenda, shareholders can ask live questions in 2 ways as follows:

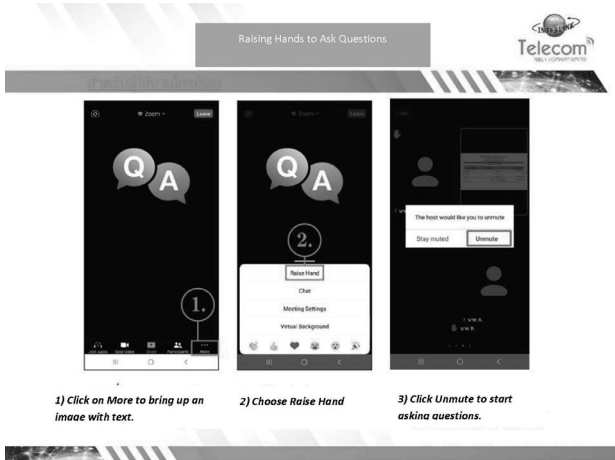

Way 1: Asking Live Questions by Turning on the Microphone

Shareholders can press on the “Raise Hand” button to express the intention to ask questions. Then the company’s staff will turn on the microphone of the respective shareholders. You can follow these directions:

1.1 Shareholders Attending via Computer: Click on the Participants button on the bottom of the application and press the Raise Hand button that appears on the bottom-right of the Participants window, or click on the Reaction button at the bottom of the application and choose “Raise Hand”. Next, wait until the company’s staff turns on your microphone. You will know once the staff has turned on your microphone through your computer screen, where the text “The Host would like you to unmute” will appear. You are to press Unmute and then proceed to ask your questions.

1.2 Shareholders Attending via Mobile Phone: Click on the More button. A message window will appear. Then choose Raise Hand and then wait for the company’s staff to turn on your microphone. You will know when the staff has turned on your microphone from the screen of your mobile phone, where the text “The Host would like you to unmute” will appear. You are to press Unmute and then proceed to also ask questions.
